# **APP STATE ATHLETICS MISSION**

In support of the Educational Mission of the University,

We protect and promote the safety, health, and well-being of each and every one of our Student-Athletes.

We guide and support our Student-Athletes in their quest for excellence - academically, athletically, and socially.

We gather and engage our University Community to become a part of our plans.

# **CORE VALUES**

Academic Integrity
Competitive Excellence
Social Responsibility
World-Class Experience

## PRIMARY LOGO

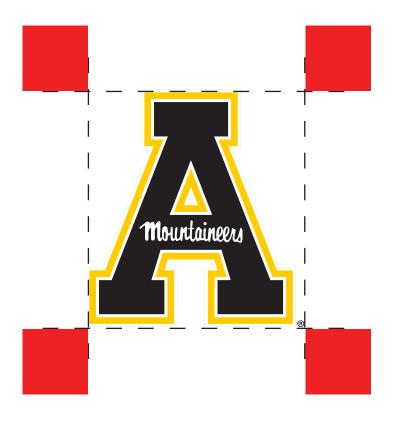

The App State Block A is the chief visual component of App State Athletics' overall brand integrity. Our logo has become one of the single most visible manifestations of the App State Athletics. Reinforcement of the primary identity will build equity in the brand.

FOR ALL PURPOSES WE WILL ALWAYS USE THE BLOCK A. Use good judgment to ensure legibility. A mark that is too small doesn't serve any communicative function. Approximately 1 inch tall is the smallest the Block A should be. It is very important that designers or desktop publishers do not attempt to construct the logo themselves. Do not reproduce the logo by scanning a previously printed version. Such "second-generation" art will degrade the quality of the image and may alter the scale of the various elements.

### PROTECTED AREA

The protected area around the logo ensures that no other graphic elements interfere with clarity and integrity. The protected area around the mark is roughly equal to the triangle height of the inside of the "A". At least this amount of space must surround the Block A in all applications.

# **COLOR VARIATION**

The black Block A is the primary identity of App State Athletics. The white Block A is the primary identity of Appalachian State University.

The Block A can be used in the following color variations:

## **ONE COLOR VARIATION**

The Block A can be used as a single color in the following variations:

**FILL BLACK** 

**FILL WHITE** 

#### STROKE BLACK

#### **STROKE WHITE**

# **SECONDARY LOGO**

This Yosef secondary logo may be used for select approved purposes. Use of this mark requires a seperate contract type and a higher royalty rate.

ALL RULES THAT APPLY TO THE PRIMARY LOGO ALSO APPLY TO THE SECONDARY LOGO.

**DO NOT** use the Yosef one color on a gold background without the eye filled with white.

### **HEROES DAY**

Appalachian State University has added a special logo to its graphic offering. This logo features the American flag with the Block A and will be utilized for select games. The select game will be known as Heroes Day and the school will honor members of the military, fire department, police and first responders. This logo may be used by the Student Veteran Association (SVA), ROTC, Military Affairs Committee (MAC) and other parties with permission.

# LOGO USE: PRIMARY & SECONDARY

All primary and secondary logos can appear as specified in these guidelines. This ensures the desired consistency in logo usage that promotes effective recognition.

Do not combine two logos in an overlaying pattern or put text over the logo.

Do not add elements or remove "Mountaineers from the Block A.

### **AFFILIATE LOGOS**

The Sun Belt Conference's logo identity highlights the sun as a powerful and iconic expression that suggests unity, strength, promise and ambition. The individual parts of the icon combine to create a unified whole and represent strength in togetherness; a foundational value at the core of the Sun Belt Conference brand. The band of blue across the diameter of the icon symbolizes the Sun "Belt" region, while dually creating the feeling of a sun breaking the horizon at the dawn of a new day.

Primary and secondary Sun Belt logos are below. Refer to the Sun Belt's brand book for a full list of logos and usage.

The Southern Conference Logo is used only for App State Wrestling. The MAC logo is used only for App State Field Hockey.
